

Auto Loans

Steer yourself into a great auto loan. Don't you just love that new car smell?

Whether it's your first car or a new fun toy to add to your collection, buying a vehicle can be a lot to handle. What year was it made? What style should I choose? What's available? Most importantly, can I afford it?!

That's where we come in. Our goal is to find the best financing options for your budget at the payment that's right for you. Because let's face it, buying a car is a big deal, and no one wants to be stressed out making loan payments that you can't afford.

Let us help you finance your car, truck or motorcycle. If a recreational vehicle — ATV, boat, motorhome or jet ski — is more your style, we'll finance that, too!

Stuck in rough terrain with a loan from another financial institution? Let us drive down your monthly loan payment. Talk to us about refinancing your higher interest rate loan with an RGCU auto loan.

Want break on your rate? We want to give it to you.

- Take off 0.50% for making your loan payment using full direct deposit and auto transfer from any of your RGCU accounts.
- This rate reduction applies to car; truck and motorcycle loans; recreational vehicle loans; lines of credit and signature (personal) loans. The rate cannot exceed lowest offered rate.
