Somos familia. RGCU's roots run deep in the community.

Rio Grande Credit Union was started by City of Albuquerque employees in 1953. Since that time, we have merged with San Ignacio Credit Union and the Albuquerque VA Federal Credit Union and New Mexico Central Credit Union. In addition to these fine organizations, we also serve employees, volunteers, residents and members of numerous companies, nonprofit organizations and neighborhood associations.

If you live, work, worship, volunteer or go to school in Bernalillo County or Sandoval County, you are eligible to join the Credit Union.

Additionally, RGCU proudly serves:

- Employees, volunteers and retirees from any of the companies or organizations in our field of membership, including the City of Albuquerque, Bernalillo County, VA Hospital, ABQ Health Partners, Blue Cross Blue Shield of NM, Lovelace Health System, NM Heart Institute, Presbyterian Health Care Services and Presbyterian Health Plan.
- Members of Catholic parishes.
- Plus members of your family and household!

Visit our website or ask an Account Relationship Officer for a comprehensive field of membership list or if you have questions on how you qualify for membership.

Ready to join? Good choice! Talk to any of us to get your membership application started today. Welcome to Rio Grande Credit Union!
