

# Member Discounts

**Discounts for vacations, phones and more.**  
Save on national products and services just for being a credit union member.

Have you ever received discounts on car shopping, flowers, wireless services or tax products simply because you belonged to a financial institution? Now you do.

The credit union difference is all about “people helping people.” What better way to help you than to provide opportunities where you don’t have to cough up the big bucks on the things you need and want in your life.

Thanks to the *I Love My Credit Union* program, you can save big on products and services such as Sprint®, TurboTax® and more, just because you’re a credit union member. Plus, thanks to *Get Away Today*, you can save big on Disney® vacations, cruises and more. How ‘bout that?

Providing you with meaningful discounts is just one way we like to thank you for your membership!
